Find yourself a place with a difference at Innisfail

The strong interest in land at Peet Limited's popular Innisfail Estate is expected to continue when a further 43 home sites are released this Saturday 16 August.

New release lots are positioned to take advantage of natural surrounds located within walking distance of established sporting fields, parklands, schools and child care facilities.

Innisfail's innovative design incorporates the grand Boardwalk Boulevard with direct access to the Princes Hwy and well-lit streets and pathways provide added safety for families.

Buyers also have the convenience of easy access to established facilities and amenities including Point Cook's Town Centre, coastal park and state of the art recreational facilities, presenting an enviable lifestyle without compromise.

The lots in Stage 20A, which range in size from 425sqm to 616sqm and are priced from \$178,000 will be released on site at the Innisfail Estate Sales Office from 12pm.

Peet Limited Managing Director Brendan Gore said with more than half the homesites at Innisfail Estate now sold, there's never been a better time to join this growing community which will ultimately be home to some 2,000 households.

"The estate has been innovatively designed to complement Australia's unique culture and lifestyle," said Mr Gore. "That has proved very attractive to families, couples and singles alike and Stage 20A provides another great opportunity for buyers."

Innisfail Estate is proudly named after the century old farming property on which the estate is located and the beautifully landscaped streets bear names inspired by Australians who have influenced the arts, literature, politics, science and sports.

An added attraction for all purchasers is Peet Limited's Flying Start package, which at Innisfail Estate includes fencing, water wise front garden landscaping and a \$5,000 early settlement rebate – making it easier and more affordable to build and establish their new home.

The Innisfail Estate Sales Office is located at 9 Innisfail Drive, Point Cook and is open Saturday to Wednesday from 12pm to 5pm.
