Sun shines on new home sites at Innisfail

With summer just around the corner, Peet Limited's release of 41 new home sites on November 15 at its popular Innisfail Estate couldn't come at a better time for those who enjoy the outdoor lifestyle.

The new lots in Stage 20B are positioned for easy access to the estate's extensive sporting fields and parklands, as well as schools and child care facilities, which are all within walking distance from the home sites.

They range in size from 448m² to 557m² and will be released at the Innisfail Estate Sales Office in Point Cook on November 15.

This release follows the successful launch of the new Innisfail Display Village on 25 October, which attracted hundreds of people, all keen to view the 14 new home designs on display by some of Melbourne's leading builders – Simonds, Porter Davis, Clarendon, Dennis Family Homes and Hermitage Homes.

Managing Director Brendan Gore said the natural charm of Innisfail and its thriving community were both factors that continued to attract buyers to the estate.

"Innisfail Estate is a master-planned community that has flourished as more and more singles, couples and families come to the estate and enjoy its open spaces, parklands and established facilities," said Mr Gore.

"We have had five land releases at Innisfail already this year and are pleased to release additional lots to cater for the demands and needs of astute home buyers."

Located just 20 minutes from Melbourne, Innisfail Estate offers easy city commuting via the Princes Highway, which is directly accessible from Boardwalk Boulevard in the estate.

To meet residents' day to day needs, the new Point Cook town centre is located less than a kilometre away and offers the latest fashion and convenience shops, cafes and eateries, plus a children's indoor play area.
