Parkside lots spur buyers at Innisfail

With only a handful of lots remaining in the first land release at Innisfail this year, Peet Limited is preparing for a second release of homesites to meet buyer demand.

The new homesites at Innisfail Stage 19b are to be released on April 18, with many offering stunning parkland outlooks, and all within walking distance of schools and local shopping services.

Innisfail is fast becoming a well serviced and established community at Point Cook, with construction of both a new school and a shopping centre recently commencing and scheduled for completion before the end of 2009.

Peet Limited Managing Director and CEO Brendan Gore said the mix of affordable homesites with quality amenities were a major factor attracting homebuyers to Innisfail.

"Peet is focused on ensuring there's a good choice of homesites available at competitive prices to meet different buyer needs," Mr Gore said.

"The new shopping centre will support the value of homes in the area, while the new primary school complements the existing Stella Maris Primary School already established at Innisfail."

Not only do residents enjoy the convenience of excellent facilities within Innisfail, the community is also perfectly located to take advantage of other nearby amenities.

The new Point Cook Town Centre is about a kilometre away, and Melbourne is also within easy reach – a quick 20 kilometre commute thanks to the Innisfail's direct access to the Princes Freeway.

For information about the new land release at Innisfail, contact Innisfail Sales Representative Minloo Germann on (03) 9395 2155, or visit the Sales Office on Pearce Circuit, off Sneydes Road, between 12pm to 5pm, from Saturday to Wednesday.
